TYLER DELEON

1 Main Street, New Cityland, CA 91010 | | C: (555) 322-7337 | example-email@example.com

Dear Ms. Wilkinson,

As a highly skilled bank Security Officer, I read your posting for a new Security Officer with interest. My experience aligns well with the qualifications you are seeking at Green River Bank, in particular my role as Security Officer at Delta Bank, and I am certain I would make a valuable addition to your team.

With more than nine years' experience in bank security, I am adept in preventing robberies, monitoring employees, and improving security procedures. Moreover, while my on-the-job experience has afforded me a well-rounded skill set, including first-rate investigation and people skills, I excel at developing improved processes to reduce incidents and am passionate about the field. I am extremely enthusiastic about Green River Bank's focus on both customer service and security, and would welcome the opportunity to contribute to your ongoing business success.

Please review my attached resume for additional details regarding my expertise and career achievements. I will follow up to request an appointment to discuss how my experience and background meets your needs.

Thank you for your time and consideration.

Sincerely,

Tyler Deleon

MILES ADAMS

Home 510.555.1297 • Cell 510.555.8439 • miles@myisp.net

LOGISTICS PROFILE

Accomplished in developing effective processes and directing complex logistics functions for multimillion-dollar projects.

Excel at coordinating tasks of numerous internal divisions and external agencies to ensure rapid, accurate delivery of equipment, materials, and resources. Advanced expertise in reviewing invoices and shipping manifests to ensure full compliance with local customs and international regulations. Track record of identifying redundancies and maximizing resources to streamline operations. Proficient in a variety of logistics and supply management software, both proprietary and commercial.

AREAS OF EXPERTISE:

- Distribution Management
- Quality Assurance
- Inventory Control Processes
- Standards / Procedures Compliance
- Continuous Process Improvement
- Vendor and Staff Relations
- Transportation / Materials Handling
- Training and Leadership

PROFESSIONAL EXPERIENCE

UNITED STATES ARMY (*various locations*) 6/2003 – 6/2015

Logistics/Distribution Supervisor, 6/2011 – 6/2015

Directed eight-member team to develop the most efficient routing system for $47 million in supplies and equipment. Monitored all transportation operations, including quality controls, to ensure transportation services met contract obligations as well as local and national government regulatory requirements. Served as transportation liaison between various organizations and countries. Oversaw dispatching, routing, tracking, and shipping activities to ensure safe, prompt, and accurate delivery of transportation equipment. Trained and coached staff on new tracking procedures. Communicated operational needs to senior management.

Key Achievements:

- Achieved 99.5% average delivery rate on all assignments with no loss of materials or assets.
- Identified and corrected efficiency bottlenecks, which saved $1.2 million and resulted in faster, more accurate supply shipments.
- Played an integral role in creating new automated method for property tracking procedures to increase accuracy and accountability.

Logistics Coordinator, 6/2007 – 6/2011

Collaborated with and supported Logistics Manager in overseeing up to $25 million in equipment and supplies shipped worldwide to support a wide range of projects. Assured proper authorization for all shipments; oversaw tracking and monitored cross-border transportation activities. Directly accountable for $11 million in property, equipment, and supplies. Optimized flow of supplies by developing and operating automated systems.

Key Achievements:
